---

**Originating in Salt Lake City Utah**, Personalized Craft Services has had the pleasure of providing craft service for the TV and motion picture industry for over 17 years. Working on productions ranging from commercials to TV series and multi-million dollar feature films. We have grown into a full service crafty, able to customize our service, while accommodating various locations, crew size and second units, as well as comply with standards on shows that are completely “**GREEN**”.

Personalized Craft Services has worked with a wide range of talent, from up-coming actors to some of the most prestigious Stars on today’s screen. We have worked with crews ranging from fifteen to fifteen hundred. We have worked on locations at 10,000 ft. with ten feet of snow and sub-zero temperatures, to the white sands of New Mexico, from Hollywood California, to the city streets of Pittsburgh PA, From the Bahamas to the Grand Caymans. Our exceptional service has set a high standard in the industry. We are clean, creative and enjoy pleasing our crews.
